

Submitting a news item for the RDA website Newsfeeds

Content should be emailed to the Department of Infrastructure and Regional Development for distribution.

RDA website Newsfeed item (Public)

The RDA website Public Newsfeed can be found at www.rda.gov.au. The Public Newsfeed section of the website will include case studies and stories on successfully run RDA events or programmes.

RDA website Newsfeed item (Members)

The RDA website secure Members' Newsfeed can be found at www.rda.gov.au in the Members' Area. Login details are required to access this Newsfeed. The purpose of the Newsfeed is to convey operational information pertaining to RDA governance and government programmes, and also to provide information that can be shared with RDA stakeholders.

Departmental contact newsfeeds:

Key features of a news item

- A succinct and relevant title.
- Details of the RDA Committee (where relevant).
- Details of the project/event/announcement.
- Be no longer than 300 words, and preferably include quotes from an RDA staff member or committee member.
- Indicate which communication channel you would like to use:
 - Members' Newsfeed for operational information,
 - Public Newsfeed for RDA case studies and stories
- Include the date the story should be published (where relevant).
- Include a link to a document or website for more information.
- Attach image with full caption details (optional). Ensure permission to publish is obtained from people appearing in the image and the image owner.
- Include contact details so we can gather more information if required.
- When possible, supply item two working days in advance of required publication.

To submit a news item please email the Coordination and RDA Communications Team at update@infrastructure.gov.au
